The Collector Village Pumpkin Festival Committee is calling on Quilters of all levels of experience to register their interest in the **2008 Pumpkin Inspired Quilt Challenge**. A new event for the Pumpkin Festival, this friendly competition aims to present the best of regional quilting talent in a display during next year's Pumpkin Festival celebrations.

'The idea was put to us and we loved it, 'said John Langford, Pumpkin Festival Events Co-ordinator. 'What could be more appropriate than this for a Festival focused on the traditional rural skills of hand-made and home produced goods?'

The Quilt Challenge will have both **an Open and a Novice category** and will be judged by a prominent fabric artist and a well known local identity. Quilts may be of any size, large or small, but **must be inspired by the pumpkin theme**.

Quilters are welcome to offer their works for sale, but are not obliged to do so. 'We'd love to see a huge display of quilts as a result of this challenge so we encourage all quilters to start on their designs now,' said Mr Langford.

Entry is free but quilts must be available for display throughout the day of the Pumpkin Festival 4 May 2008 and be received by the organiser on Saturday 3 May 2008. For entry forms and details please contact Lorraine Langford on 02 4848 0119 or email Collector Village Pumpkin Festival at [punkin@pumpkinfestival.com.au](mailto:punkin@pumpkinfestival.com.au).
